Dear Shareholder

**Proposed purchase of 1 in every 41 Ordinary Shares at 3.6 pence per share by way of
a Tender Offer**

1. INTRODUCTION

On 10 May 2016, as part of the Company's Interim Results, the Board confirmed its intention to extend its policy of returning capital to shareholders, whilst retaining sufficient capital in the business to fund its 12 month investment pipeline. The Company returned £0.8 million to shareholders in the February 2016 Tender Offer and the Board now proposes to return a further £3 million to shareholders. The Board will keep further returns of capital under review as the Company continues to progress.

The offer proposed is to purchase 1 in every 41 Ordinary Shares by way of a Tender Offer at a price of 3.6 pence per share being, 24 per cent. above the mid-market closing price on 24 August 2016. The background to and reasons for this Tender Offer are set out below.

The Tender Offer will also present tendering Qualifying Shareholders with an opportunity to sell more than their Tender Offer Entitlement of Ordinary Shares (up to their entire shareholding) to the extent that other Qualifying Shareholders tender less than their Tender Offer Entitlement. If the maximum number of Ordinary Shares under the Tender Offer is acquired and assuming no exercise of Options and no issue of new Ordinary Shares eligible for tender, this will result in an amount of approximately £3 million being paid by the Company to Qualifying Shareholders.

Shareholder approval is required for the Tender Offer and accordingly a General Meeting is being convened at the offices of Carey Group, 1st and 2nd Floors, Elizabeth House, Les Ruettes Brayes, St Peter Port, Guernsey GY1 1EW at 9.00 a.m. on 12 September 2016. The Notice of General Meeting is set out at the end of this Circular.

Shareholders should read the whole of this Circular and not just rely on the summarised information set out in this letter.

2. RECENT PROGRESS AT THE COMPANY SUPPORTS THE TENDER OFFER

Encouraging results for the six months ended 29 February 2016 demonstrated the continuing strength of MXC Capital's technology focused merchant banking model, with the growth in value of the investment portfolio being augmented by the profits generated by our Capital Markets and Advisory businesses. The Company's portfolio was valued at £73 million at 29 February with 23 per cent. (£14 million) growth in value achieved since the previous year end.

Since January, the Company has led:

- the £51 million IPO of Tax Systems plc as a cornerstone investor;
- the quotation and two acquisitions for CORETX Holdings plc as both adviser and lead investor;
- adept4 plc's (previously Pinnacle Technology Group plc) acquisitions of Ancar-B, Weston Communications, and adept4 and its associated equity and debt financing;
- Castleton Technology plc's acquisition of Kypera; and
- Redcentric plc's acquisition of City Lifeline.

The Company's investment portfolio currently consists of eleven investments, six of which are quoted. Details of all these transactions and the company's investment portfolio are available on the Company's website at www.mxccapital.com.

During this busy period of corporate activity, the Company also realised a gain of £7 million after disposing of part of its stake in Redcentric plc in June 2016. MXC retains 8,692,988 warrants in Redcentric Plc, all highly profitable at today's market price, and a holding of 49,108 shares.

MXC was an original investor in Redcentric plc at the time of its demerger from Redstone plc and has supported the company in identifying and executing accretive M&A activities while acting as a cornerstone investor in each of its public funding rounds.

The Board believes that in light of the Company's progress it is consistent to make a further return of capital of approximately £3 million to shareholders via a Tender Offer. It anticipates that the Company will have access to cash resources of approximately £12 million as at 31 August 2016 after accounting for the proposed Tender Offer.

The mechanism of a tender offer gives shareholders the flexibility to either realise a return by allowing the Company to purchase a portion of their shares for cash, or to retain a potentially larger relative holding in the Company so that they might further benefit from any future capital growth.

3. THE TENDER OFFER

Your Board is proposing that the Company should make a Tender Offer to purchase up to 83,399,424 Ordinary Shares (assuming no exercise of Options and no issue of new Ordinary Shares eligible for tender), representing approximately 2.44 per cent. of the Company's current issued ordinary share capital, at a price of 3.6 pence per Ordinary Share, equal to the price of the tender offer made in February 2016.

The Tender Offer is open to all Qualifying Shareholders on the Company's share register on the Record Date. Qualifying Shareholders may participate in the Tender Offer by tendering either all or a proportion of their Tender Offer Entitlement of Ordinary Shares such that each Qualifying Shareholder will be entitled to sell under the Tender Offer, 1 Ordinary Share for every 41 Ordinary Shares registered in his name on the Record Date, rounded down to the nearest whole number of Ordinary Shares. The Tender Offer will also present tendering Qualifying Shareholders with an opportunity to sell more than their Tender Offer Entitlement of Ordinary Shares to the extent that other Qualifying Shareholders tender less than their Tender Offer Entitlement. If the number of Ordinary Shares validly tendered exceeds 83,399,424 (assuming no exercise of Options and no issue of new Ordinary Shares eligible for tender) and if and to the extent that any Shareholders have tendered less than their Tender Offer Entitlement under the Tender Offer, surplus tenders will be accepted in proportion to the number of additional Ordinary Shares tendered so that the total number of Ordinary Shares purchased pursuant to the Tender Offer does not exceed 83,399,424 (assuming no exercise of Options and no issue of new Ordinary Shares eligible for tender). In the event that Options are validly exercised, the total number of Ordinary Shares purchased under the Tender Offer will increase by the number of Options exercised, divided by 41 and rounded down. It is intended that the Ordinary Shares purchased under the Tender Offer will be cancelled and will not be available for re-issue.

The Tender Offer is made on the terms and subject to the conditions set out in paragraph 2 of Part III of this document.

Shareholders who hold Ordinary Shares in certificated form may only make a tender on the accompanying Tender Form, which is personal to the Shareholder(s) named on it and may not be assigned or transferred.

Shareholders who hold Ordinary Shares in uncertificated form may only make a tender by way of an electronic tender in the form of a TTE instruction.

A Tender Form and/or a TTE instruction once submitted cannot be withdrawn. To be valid, Tender Forms and/or a TTE instruction must be received by the Receiving Agent, and in the case of a TTE instruction must settle, no later than 1.00 p.m. on 9 September 2016.

Further information relating to the Tender Offer (including the Terms and Conditions of the Tender Offer) is set out in Part III of this Circular.

4. OVERSEAS SHAREHOLDERS

The attention of Qualifying Shareholders who are citizens, residents or nationals of countries outside the UK and Guernsey wishing to participate in the Tender Offer is drawn to paragraph 10 of Part III of this Circular.

5. TAXATION

A summary of the taxation consequences of the Tender Offer for UK and Guernsey resident Shareholders is set out in paragraph 11 of Part III of this Circular. **It should be noted that this refers to the current system of taxation. Shareholders are advised to consult their own professional advisers regarding their own tax position.**

6. NOTIFICATION OF INTERESTS

Under section 5.1.2 of the DTR, certain substantial Shareholders are required to notify the Company and the FCA of the percentage of voting rights they hold as Shareholders or through their direct or indirect holding of financial instruments within the limits referred to in the DTR. Following the completion of the Tender Offer, the percentage of voting rights held by a Shareholder may change, which may give rise to an obligation on the Shareholder to notify the Company and the FCA within two trading days of becoming aware (or being deemed to have become aware) of such change. If you are in any doubt as to whether you should notify the Company and the FCA or as to the form of that notification, please consult your solicitor or other professional adviser.

7. TAKEOVER CODE

Background

The Company is subject to the City Code.

Under Rule 9 of the City Code, any person who acquires an interest (as defined in the City Code) in shares which, taken together with shares in which he is already interested and, in which persons acting in concert with him are interested, carry 30 per cent. or more of the voting rights of a company which is subject to the City Code, is normally required to make a general offer to all the remaining shareholders to acquire their shares.

Similarly, when any person, together with persons acting in concert with him, is interested in shares which in aggregate carry not less than 30 per cent. of the voting rights of such a company, but does not hold shares carrying more than 50 per cent. of such voting rights, a general offer will normally be required if any further interests in shares are acquired by any such person.

Under Rule 37.1 of the City Code, when a company purchases its own voting shares, any resulting increase in the percentage of voting rights of any person or Company of persons acting in concert will be treated as an acquisition for the purpose of Rule 9.

The Concert Party have informed the Board that they do not wish to trigger an obligation to make an offer under Rule 9 by reason of Rule 37.1 and the Tender Offer.

The Concert Party

The Concert Party comprises MXC Holdings, Tony Weaver, Ian Smith, Inge Timperley, Charles Vivian, Philip Vivian, Andrew Vivian, Alex Sandberg, William Smith, Jessica Smith, Andy Ross, Jill Collighan, Justin Collighan, Beth Collighan, Harry Collighan, Steven Zhang, Charlotte Stranner, Christopher Barrett, Gavin Lyons, Martin Bolland, Martin Chapman and Marc Young. The registered office of MXC Holdings is at 100 Fetter Lane, London EC4A 1BN. The address for each of the other Concert Party members is 25 Victoria Street, London SW1H 0EX.

Effect of the Tender Offer

The controlling position of the Concert Party following completion of the Tender Offer will depend on the number of Qualifying Shareholders taking up the Tender Offer. The table below sets out the maximum controlling position of the Concert Party following completion of the Tender Offer on the basis that the Tender Offer is taken up by all of the Concert Party and Qualifying Shareholders. The actual resultant holdings of the Concert Party will be announced through a regulated information service at the London Stock Exchange as soon as practicable after the Tender Offer has concluded.

* B Shares of no par value and are not eligible to participate in the Tender Offer.

** Unless otherwise indicated, all shares are Ordinary Shares.

On the basis set out above, following completion of the Tender Offer, the Concert Party's maximum aggregate shareholding in the Company (Ordinary Shares and B Shares) may be increased from 62.79 per cent. to 63.01 per cent.

As the Concert Party retains an interest of more than 50 per cent. of the voting rights in the Company, for so long as the members of the Concert Party continue to be treated as acting in concert, they may increase their interests in Ordinary Shares without incurring any further obligation under Rule 9 of the City Code to make a general offer for the remainder of the issued share capital of the Company, although individual members of the Concert Party will not be able to increase their percentage interest in shares through or between a Rule 9 threshold without Takeover Panel consent.

8. EXISTING SHARE OPTIONS

The rights of Optionholders under the Share Option Schemes will remain unaffected by the Tender Offer. In particular, the Tender Offer will not cause any options which are not currently exercisable to become exercisable.

9. GENERAL MEETING

The Tender Offer is being conducted in accordance with the requirements of the Law. In order to comply with these requirements, the Company is convening a General Meeting for 9.00 a.m. on 12 September 2016 to consider and, if thought fit, pass the Tender Offer Resolution to grant the Company the authority to undertake the Tender Offer. The Tender Offer Resolution must be passed either (i) on a show of hands by at least 50 per cent. of those Shareholders present in person or by proxy and voting or (ii) on a poll by those Shareholders (present in person or by proxy and voting) holding 50 per cent. or more of the Ordinary Shares voted, in each case, at the General Meeting. The Company will not purchase Ordinary Shares pursuant to the Tender Offer unless the Tender Offer Resolution is duly passed.

10. ACTION TO BE TAKEN

General Meeting

Shareholders will find enclosed with this Circular a Form of Proxy for use at the General Meeting. Whether or not Shareholders intend to be present at the meeting, and whether or not Shareholders intend to participate in the Tender Offer, Shareholders are requested to complete and return the Form of Proxy in accordance with the instructions printed thereon in the envelope provided so that it arrives at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible and in any event so as to be received by post or by hand (during normal business hours only) not later than 9.00 a.m. on 8 September 2016. Completion and return of the Form of Proxy will not prevent Shareholders from attending and voting at the meeting should they so wish.

As an alternative to completing the enclosed Form of Proxy, CREST members can also appoint proxies by using the CREST electronic proxy appointment service and transmitting a CREST Proxy Instruction in accordance with the procedures set out in the CREST Manual so that it is received by the Registrar (under CREST participant 3RA50) by not later than 1.00 p.m. on 8 September 2016. The time of receipt will be taken to be the time from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

Tender Offer

The procedure for tendering Ordinary Shares depends on whether Ordinary Shares are held in certificated or uncertificated form and is summarised below:

(a) Shares held in certificated form

Qualifying Shareholders who hold Ordinary Shares in certificated form and who wish to participate in the Tender Offer should follow the instructions on the accompanying Tender Form and return it to the Receiving Agent to arrive by no later than 1.00 p.m. on 9 September 2016. Qualifying Shareholders who hold their Ordinary Shares in certificated form should also send their share certificate(s) or other documents of title in respect of the Ordinary Shares tendered with their Tender Form by post to Computershare Investor Services PLC, Corporate Action Projects, The Pavilions, Bristol, BS99 6AH or by hand (during business hours) to Computershare Investor Services PLC, The

Pavilions, Bridgwater Road, Bristol, BS13 8AE. Further details of the procedures for tendering and settlement are set out in Part III of this Circular and on the accompanying Tender Form.

(b) Shares held in uncertificated form

Qualifying Shareholders who hold their Ordinary Shares in uncertificated form (that is, in CREST) and who wish to tender all or any of their Tender Offer Entitlement should tender electronically through CREST so that the TTE instruction settles no later than 1.00 p.m. on 9 September 2016. Further details of the procedures for tendering and settlement are set out in Part III of this Circular.

Shareholders who do not wish to participate in the Tender Offer should not complete the Tender Form and will not be required to make a TTE instruction.

11. CONDITIONS

The Tender Offer is conditional on the satisfaction of the conditions specified in paragraph 2 of Part III of this Circular.

12. TERMINATION OF TENDER OFFER

The Tender Offer may be terminated in the circumstances specified in paragraph 9 of Part III of this Circular.

13. SETTLEMENT

Subject to the Tender Offer becoming unconditional, payment of the Tender Price due to Qualifying Shareholders under the Tender Offer whose Ordinary Shares have been accepted (rounded down to the nearest penny) are expected to be effected by the dispatch of cheque(s) by 22 September 2016 or the crediting of CREST accounts (as appropriate) by 22 September 2016.

14. FURTHER INFORMATION

The Tender Offer will be financed solely from the Company's existing cash resources.

At 24 August 2016 (the latest practicable date prior to the publication of this document), the issued share capital of the Company was 3,419,376,861 Ordinary Shares (excluding B Shares). In addition, 66,644,176 Options were outstanding, equivalent to approximately 1.95 per cent. of the Company's issued ordinary share capital. These Options will represent approximately 2.00 per cent. of the Company's issued ordinary share capital if the Company purchases the maximum number of Ordinary Shares pursuant to the Tender Offer.

Your attention is drawn to the "Details of the Tender Offer" (including the terms and conditions of the Tender Offer) set out in Part III of this Circular.

15. RISK FACTORS

Before taking any decision in relation to the Tender Offer, Shareholders are advised to read Part II of this document, entitled Risk Factors in relation to the Tender Offer.

16. RECOMMENDATION

The Directors consider that the proposal to be considered at the General Meeting is in the best interests of Shareholders as a whole and unanimously recommend that you vote in favour of the Tender Offer Resolution as they have undertaken to do in respect of their own beneficial holdings of 115,237,815 Ordinary Shares, representing 3.4 per cent. of the existing issued ordinary share capital of the Company.

The Directors are making no recommendation to Qualifying Shareholders in relation to participation in the Tender Offer itself. Whether or not Qualifying Shareholders decide to tender their Ordinary Shares will depend, amongst other things, on their own individual circumstances, including their own tax position.

Qualifying Shareholders are recommended to consult their duly authorised independent advisers in making their own decision.

If you are in any doubt as to any aspect of the proposals referred to in this document or as to the action you should take in respect of them, you should seek your own advice from your stockbroker, bank manager, solicitor, accountant or other professional adviser duly authorised under the FSMA if you are in the United Kingdom, or another appropriately authorised independent adviser if you are in a territory outside the United Kingdom.

Yours sincerely

Peter Rigg

Non-Executive Chairman

PART II

RISK FACTORS RELATING TO THE TENDER OFFER

The Board believes that the following risk factors should be considered by Shareholders prior to deciding whether or not to participate in the Tender Offer.

Additional risk factors not outlined herein may apply to a Shareholder's decision as to whether or not to participate in the Tender Offer. Shareholders in any doubt about the action they should take should consult a suitably qualified independent financial adviser authorised under the FSMA (or under such equivalent legislation as may apply in your jurisdiction) without delay.

- The lower number of Ordinary Shares in issue following completion of the Tender Offer may result in lower liquidity in the secondary market for the Ordinary Shares. This may, in turn, negatively impact Shareholders' ability to sell Ordinary Shares to prospective purchasers, and may result in an increase in volatility of the achievable sale price of the Ordinary Shares.
- Following the implementation of the Tender Offer, the Company will have distributed a material level of its available cash to Shareholders. Shareholders will therefore have an on-going exposure to a more concentrated portfolio of less liquid investments with a lower percentage of the Company's assets being held in cash. There is no guarantee that such investments will be realised at their current net asset value, and it is possible that the Company may not be able to realise some of its investments in a timely manner and/or at any material value or at all.
- A request to tender Shares, once served on the Company, may not be withdrawn without the consent of the Company.
- The taxation consequences of the Tender Offer may change as a result of changes in law or custom and practice of the tax authorities.
- Ordinary Shares in uncertificated form for which a TTE Instruction have been validly submitted will be transferred to escrow in CREST. It will not, therefore be possible to access or otherwise deal in such Ordinary Shares and such Ordinary Shares will be held in escrow pending purchase under the Tender Offer. Shareholders with Ordinary Shares in certificated form should note that they will be unable to deal in their Ordinary Shares without their Share certificate(s).
- The value of Shares may increase following completion of the Tender Offer and Shareholders who have their Ordinary Shares repurchased under the Tender Offer may not be able to benefit from such increase.
- The market price of the Ordinary Shares could either increase or decrease between the date of this Circular and the date that such Ordinary Shares are repurchased by the Company, meaning that tendering Shareholders might have their Ordinary Shares purchased at a greater or lesser (as the case may be) premium (or at a discount) to the then current market price than envisaged when the tender was made.
- There is no guarantee that the Company will implement any further tender offers.
- The risks and uncertainties described above are not intended to be exhaustive and additional risks and uncertainties not presently known to the Directors, or which the Directors currently deem immaterial, may also be relevant to Shareholders in their consideration of the Tender Offer.

PART III

DETAILS OF THE TENDER OFFER

1. Introduction

Qualifying Shareholders are invited to tender Ordinary Shares on the terms and subject to the conditions set out in this Circular and, in respect of Qualifying Shareholders who hold Ordinary Shares in certificated form on the accompanying Tender Form. The Company will only acquire Ordinary Shares pursuant to the Tender Offer if, *inter alia*, the Tender Offer Resolution is passed at the General Meeting.

The Board is proposing that the Company should purchase from Qualifying Shareholders up to 83,399,424 Ordinary Shares (assuming no exercise of Options and no issue of new Ordinary Shares eligible for tender) at a price of 3.6 pence per Ordinary Share. In the event that Options are validly exercised, the total number of Ordinary Shares purchased under the Tender Offer will increase by the number of Options exercised divided by 41 and rounded down. The Tender Offer is open to all Qualifying Shareholders on the Company's share register on the Record Date, who may participate by tendering all or a proportion of their Tender Offer Entitlement of Ordinary Shares at that price.

Each Qualifying Shareholder will be entitled to sell 1 Ordinary Share for every 41 Ordinary Shares registered in his name on the Record Date, rounded down to the nearest whole number of Ordinary Shares. Any resulting fractional entitlements will be aggregated and used to satisfy surplus tenders. The Tender Offer will also present tendering Qualifying Shareholders with an opportunity to sell more than their Tender Offer Entitlement of Ordinary Shares to the extent that other Qualifying Shareholders tender less than their Tender Offer Entitlement of Ordinary Shares. If the number of Ordinary Shares validly tendered exceeds 83,399,424 (assuming no exercise of Options and no issue of new Ordinary Shares eligible for tender) and if and to the extent that any Qualifying Shareholders have tendered less than their Tender Offer Entitlement, surplus tenders will be accepted in proportion to the number of additional Ordinary Shares tendered so that the total number of Ordinary Shares purchased pursuant to the Tender Offer does not exceed 83,399,424 (assuming no exercise of Options and no issue of new Ordinary Shares eligible for tender). It is intended that the Ordinary Shares purchased under the Tender Offer will be cancelled and will not be available for re-issue. Ordinary Shares purchased pursuant to the Tender Offer will be acquired free of all liens, charges, restrictions, claims, equitable interests and encumbrances and together with all rights attaching thereto.

2. Terms and Conditions of the Tender Offer

The Company hereby offers to purchase Ordinary Shares on-market from Qualifying Shareholders on and subject to the following terms and conditions:

2.1 The Tender Offer is conditional on the following (the "**Conditions**"):

2.1.1 the passing of the Tender Offer Resolution;

2.1.2 the Tender Offer not having been terminated in accordance with paragraph 9 of this Part III prior to 6.00 p.m. on 9 September 2016; and

2.1.3 the Board being satisfied on reasonable grounds that the Company will, immediately after completion of the Tender Offer, satisfy the solvency test prescribed by the Law and the Board approving a certificate, signed by a Director, to that effect.

If these Conditions are not satisfied the Tender Offer will lapse and the Company will not purchase any Ordinary Shares pursuant to the Tender Offer. The Conditions may not be waived.

2.2 Each Ordinary Share may be tendered under the Tender Offer at the Tender Price.

2.3 The Tender Offer is only available to Qualifying Shareholders on the Company's ordinary share register on the Record Date and only in respect of the number of Ordinary Shares registered in their names on that date.

- 2.7 The Tender Offer will close at 1.00 p.m. on 9 September 2016 and no Tender Forms or TTE instructions received after 1.00 p.m. on 9 September 2016 will be accepted in whole or in part, except to the extent that the Company extends the period for tendering under the Tender Offer, in which case a new date for the Tender Offer will be given. **The Company reserves the right, subject to applicable legal and regulatory requirements, to extend the period for tendering under the Tender Offer at any time prior to 6.00 p.m. on 9 September 2016.** Any material change to the expected timetable will be notified to Shareholders by way of an announcement through a regulatory information service of the London Stock Exchange. Any such extension will comply with all applicable legal and regulatory requirements including, but not limited to, the duration of such extension.
- 2.8 Subject to the satisfaction of the conditions referred to in paragraph 2.1 above, Ordinary Shares successfully tendered will be purchased by the Company fully paid and free of all liens, charges, restrictions, claims, equitable interests and encumbrances and together with all rights attaching thereto.

- 2.8.3 The Tender Offer and all tenders relating thereto will be governed by and construed in accordance with the laws of the England and Wales. - 2.9 All documents and remittances sent by or to Qualifying Shareholders will be sent at the risk of the Qualifying Shareholder concerned. If the Tender Offer does not become unconditional and lapses, share certificates and other documents of title will be returned by post to the person whose name and address (outside the Prohibited Territories) is set out in Box 1 of the Tender Form or, if relevant, to the person whose name and address (outside the Prohibited Territories) is set out in Box 4 of the Tender Form, in each case by no later than ten Business Days after the date of such lapse, or, in the case of Ordinary Shares held in uncertificated form, the escrow agent will provide instructions to Euroclear to transfer all such Ordinary Shares held in escrow balances by TFE instruction to the original available balances to which those Ordinary Shares relate.
- 2.10 If part only of a holding of Ordinary Shares is tendered pursuant to the Tender Offer, the relevant Qualifying Shareholder will be entitled to receive the following:

- 2.12 The decision of the Company as to the results of the Tender Offer shall be final and binding on all Shareholders.
- 2.13 Holdings in certificated and uncertificated form under the same name with different designations will be treated as separate shareholdings for the purposes of the application of terms of the Tender Offer and a separate Tender Form or TTE instruction will need to be submitted in order to tender each such separate holding.
- 2.14 Subject to the satisfaction of the Conditions referred to in paragraph 2.1 above, all successfully tendered Ordinary Shares will be purchased by the Company at the Tender Price.
- 2.15 All questions as to the number of Ordinary Shares tendered, and the validity, form, eligibility (including the time of receipt) and acceptance for payment of any tender of Ordinary Shares will be determined by the Company, in its sole and absolute discretion, which determination shall be final and binding on all of the parties (except as otherwise required under applicable law).
- 2.16 Ordinary Shares will be purchased by the Company under the Tender Offer free of commissions and dealing charges. - 2.17 The failure of any person to receive a copy of this Circular and/or for a person who holds his Ordinary Shares in certificated form, the personalised Tender Form, shall not invalidate any aspect of the Tender Offer. - 2.19 The Company reserves the right to revise the Tender Price or change the maximum number of Ordinary Shares that can be tendered pursuant to the Tender Offer, based on market conditions and/or other factors, subject to compliance with applicable law and regulatory requirements. Any such revision will require, amongst other matters, that new Tender Forms are dispatched to Qualifying Shareholders and may, in certain circumstances, require that the period of the Tender Offer be extended.

2.20 No acknowledgement of receipt of any Tender Form, share certificate(s), other document(s) of title and/or TTE messages (as appropriate) will be given.

3. Procedures for tendering Ordinary Shares

Different procedures apply for Ordinary Shares in certificated and uncertificated form.

If you hold Ordinary Shares in certificated form, you may only tender such Ordinary Shares by completing and returning the Tender Form in accordance with the instructions set out in paragraph 3.1 below and the instructions printed thereon.

If you hold Ordinary Shares in certificated form, but under different designations, you should complete a separate Tender Form in respect of each designation. Additional Tender Forms are available upon request from the Receiving Agent.

If you hold Ordinary Shares in uncertificated form you may only tender such Ordinary Shares by TTE instruction in accordance with the procedure set out in paragraph 3.2 below and, if those Ordinary Shares are held under different member account IDs, you should send a separate TTE instruction for each member account ID.

3.1 *Ordinary Shares held in certificated form*

If you wish to participate in the Tender Offer you should complete and sign section 2 and 3 of the accompanying Tender Form in accordance with the instructions printed on it. Tenders may only be made on the accompanying Tender Form, which is personal to the Qualifying Shareholder(s) named on it and may not be assigned or transferred. The Tender Form represents a right to tender Ordinary Shares. It is not a document of title.

If you hold Ordinary Shares in both certificated and uncertificated forms, you should complete a Tender Form for the certificated holding/s and tender your Ordinary Shares held in uncertificated form by TTE instruction in accordance with the procedure set out in paragraph 3.2 below. In addition you should complete separate Tender Forms for Ordinary Shares held in certificated form but under different designations. Additional Tender Forms can be obtained from the Receiving Agent.

If you wish to participate in the Tender Offer the completed and signed Tender Form, together with your share certificate(s) and/or other documents of title in respect of your Ordinary Shares tendered, should be returned by post, to Computershare Investor Services PLC, Corporate Actions Projects, Bristol, BS99 6AH or by hand (during normal business hours) to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS13 8AE as soon as possible and, in any event, so as to be received not later than 1.00 p.m. on 9 September 2016. No acknowledgement of receipt of documents will be given. The instructions printed on the Tender Form shall be deemed to form part of the terms of the Tender Offer. Any Tender Form received in an envelope postmarked in a Prohibited Territory or otherwise appearing to the Company or its agents to have been sent from any such territory may be rejected as an invalid tender.

The accompanying Tender Form shows your entire registered shareholding in the Company as at close of business on 23 August 2016 alongside the name and address specified in section 1. If you buy or sell any Ordinary Shares in certificated form between 23 August 2016 and the Record Date your entitlement under the Tender Offer will be adjusted accordingly.

To accept the Tender Offer, insert in section 2 the total number of Ordinary Shares in certificated form that you wish to tender under the Tender Offer. If no number of Ordinary Shares in certificated form is inserted in section 2, and you have signed section 3, you will be deemed to have tendered your Tender Offer Entitlement. If a number greater than your entire holding of Ordinary Shares is inserted in section 2 and you have signed section 3, you will be deemed to have tendered the number of Ordinary Shares representing your entire holding of Ordinary Shares in certificated form on the Record Date.

All Tender Forms are issued only to the addressees and are specific to the classes of security and the unique designated accounts printed on the Tender Forms. These personalised forms are not transferable between different (i) account holders; (ii) classes of security; or (iii) uniquely designated accounts. The Company and Computershare accept no responsibility for any instruction that does not comply with these instructions.

3.2 *Ordinary Shares in uncertificated form*

If the Ordinary Shares that you wish to tender are in uncertificated form you should take (or procure to take) the action set out below to transfer to escrow (by means of a TTE instruction) the total number of Ordinary Shares that you wish to tender under the Tender Offer, specifying the Receiving Agent (in its capacity as a CREST participant under the participant ID referred to below) as the escrow agent, as soon as possible and in any event so that the transfer to escrow settles not later than 1.00 p.m. on 9 September 2016.

The input and settlement of a TTE instruction in accordance with this paragraph 3.2 shall constitute an offer to sell the number of Ordinary Shares at the Tender Price, by transferring such Ordinary Shares to the relevant escrow account as detailed below (an “**Electronic Tender**”).

If you are a CREST sponsored member, you should refer to your CREST sponsor before taking any action. Your CREST sponsor will be able to confirm details of your Participant ID and the member account ID under which your Ordinary Shares are held. In addition, only your CREST sponsor will be able to send the TTE instruction to Euroclear in relation to your Ordinary Shares.

To tender Ordinary Shares in uncertificated form you should send (or, if you are a CREST sponsored member, procure that your CREST sponsor sends) a TTE instruction to Euroclear, which must be properly authenticated in accordance with Euroclear’s specifications for transfers to escrow and which must contain, in addition to the other information that is required for the TTE instruction to settle in CREST, the following details:

- the ISIN for the Ordinary Shares which is: GG00BSBMMK42;
- the number of Ordinary Shares to be transferred to an escrow balance;
- your member account ID;
- your participant ID;
- the participant ID of the escrow agent, the Receiving Agent, in its capacity as a CREST receiving agent. This is: 3RA07;
- the member account ID of the escrow agent. This is: MXCCTEND;
- the Corporate Action Number of the Tender Offer, which is allocated by Euroclear and is available by viewing the relevant corporate action detail, in CREST;
- the intended settlement date for the transfer to escrow. This should be as soon as possible and in any event no later than 1.00 p.m. on 9 September 2016;
- the standard delivery instruction with Priority 80; and
- contact name and telephone number inserted in the shared note field.

After settlement of the TTE instruction, you will not be able to access the Ordinary Shares the subject of such TTE instruction in CREST for any transaction or charging purposes, notwithstanding that they will be held by the Receiving Agent until they are transferred to itself, as escrow agent for the Company or the Tender Offer otherwise lapses. If the Tender Offer becomes unconditional and the relevant tender is accepted, the Receiving Agent will transfer the Ordinary Shares that are accepted by the Company to itself, as escrow agent for the Company.

You are recommended to refer to the CREST Manual published by Euroclear for further information on the CREST procedures outlined above.

You should note that Euroclear does not make available special procedures, in CREST, for any particular corporate action. Normal system timings and limitations will therefore apply in connection with a TTE instruction and its settlement. You should therefore ensure that all necessary action is taken by you (or by your CREST sponsor) to enable a TTE instruction relating to your Ordinary Shares to settle prior to 1.00 p.m. on 9 September 2016. In this connection you are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

An appropriate announcement will be made if any of the details contained in this sub-paragraph (ii) are altered in any material respect for any reason.

Withdrawals of Electronic Tenders are not permitted once submitted.

3.3 *Deposits of Ordinary Shares into, and withdrawals of Ordinary Shares from, CREST*

Normal CREST procedures (including timings) apply in relation to any Ordinary Shares that are, or are to be, converted from uncertificated to certificated form, or from certificated to uncertificated form, during the course of the Tender Offer. Qualifying Shareholders who are proposing to convert any such shares are recommended to ensure that the conversion procedures are implemented in sufficient time to enable them to take all necessary steps in connection with any participation in the Tender Offer (in particular, as regards delivery of share certificates and/or other documents of title or transfers to an escrow balance as described above) prior to 1.00 p.m. on 9 September 2016.

3.4 *Share certificates and documents of title not readily available or lost*

If your Ordinary Shares are in certificated form but your share certificate(s) and/or other document(s) of title is/are not readily available or are lost, the Tender Form should nevertheless be completed, signed and returned as described in sub-paragraph (i) above so as to be received not later than 1.00 p.m. on 9 September 2016 together with any share certificate(s) and/or other document(s) of title that you may have available, accompanied by a letter stating that the balance will follow and the share certificate(s) and/or other document(s) of title should be forwarded as soon as possible thereafter and, in any event, so as to arrive by not later than 1.00 p.m. on 9 September 2016.

If you have lost your share certificate(s) and/or other document(s) of title, you should write to the Registrars at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY for a letter of indemnity in respect of the lost share certificate(s) and/or other document(s) of title that, when completed in accordance with the instructions given, should be returned by post to Computershare Investor Services PLC, Corporate Action Projects, Bristol, BS99 6AH or by hand (during normal business hours) to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS13 8AE to be received no later than 1.00 p.m. on 9 September 2016.

You should note that no payment will be made until satisfactory documentation has been received as described above.

If the Tender Offer is terminated or void, all documents lodged pursuant to the Tender Offer will be returned promptly by post not later than five Business Days after such date or, in the case of Ordinary Shares held in uncertificated form, the escrow agent will provide instructions to Euroclear to transfer all Ordinary Shares held in escrow balances by TFE instruction to the original available balances from which those Ordinary Shares came within such time. In any of these circumstances, Tender Forms will cease to have any effect.

Tendering Qualifying Shareholders will not be obliged to pay brokerage fees, commissions or transfer taxes or duty in the UK on the sale of Ordinary Shares in relation to the Tender Offer.

The delivery of share certificates for Ordinary Shares and all other required documents and all remittances will be at the risk of the tendering Qualifying Shareholder.

If you are in any doubt as to the procedure for acceptance, please contact the Receiving Agent by telephone on 0370 707 404 or if calling from outside the UK on +44 370 707 4040. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. to 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Please note that Computershare cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes. You are reminded that, if you are a CREST sponsored member, you should contact your CREST sponsor before taking any action.

4. Settlement

If the Tender Offer becomes void or is terminated or is extended, the outcome of the Tender Offer and (if applicable) the extent to which tenders will be scaled down, will be announced by no later than 8.00 a.m. on 13 September 2016. The payment of any consideration for Ordinary Shares pursuant to the Tender Offer will be made only after the relevant TTE instruction has settled or (in the case of Ordinary Shares in certificated form which are tendered) timely receipt by the Receiving Agent of share certificate(s) and/or other document(s) of title, a properly completed and duly executed Tender Form and any other documents required by the Tender Form.

If any tendered Ordinary Shares are not purchased by the Company pursuant to the terms of the Tender Offer, relevant share certificate(s) evidencing any such Ordinary Shares and/or other document(s) of title will be returned or sent as promptly as practicable without expense to, but at the risk of, the tendering Qualifying Shareholder. In the case of any tendered Ordinary Shares held in uncertificated form which are not purchased by the Company pursuant to the terms of the Tender Offer, the escrow agent will provide instructions to Euroclear to transfer all Ordinary Shares held in escrow balances by TFE instruction to the original available balances from which those Ordinary Shares came.

Settlement of the consideration to which any Qualifying Shareholder is entitled pursuant to valid tenders accepted by the Company, will be made as follows:

4.1 *Ordinary Shares in uncertificated form*

Where an accepted tender relates to Ordinary Shares in uncertificated form, any cash consideration will be paid by means of CREST by the Company procuring the creation of an assured payment obligation in favour of the payment banks of tendering Qualifying Shareholders in accordance with the CREST assured payment arrangements, not later than seven Business Days after the day that the outcome of the Tender Offer is announced.

The Company reserves the right to settle all or any part of the consideration referred to in this paragraph (i), for all or any accepted tenders, in the manner referred to in paragraph (ii) below, if, for any reason, it wishes to do so.

4.2 *Ordinary Shares in certificated form*

Where an accepted tender relates to Ordinary Shares in certificated form, cheques for the consideration will be dispatched by first class post not later than seven Business Days after the day that the outcome of the Tender Offer is announced at the risk of the person entitled thereto. All cash payments will be made in pounds sterling by cheque drawn on a branch of a UK clearing bank.

Delivery of cash for the Ordinary Shares to be purchased by the Company pursuant to the Tender Offer will be made by the Receiving Agent. The Receiving Agent will act as agent for tendering Qualifying Shareholders for the purpose of receiving the cash and transmitting such cash to tendering Qualifying Shareholders. Under no circumstances will interest be paid on the cash to be paid by the Company or the Receiving Agent regardless of any delay in making such payment.

5. Tender Form

Each Qualifying Shareholder by whom, or on whose behalf, a Tender Form is executed irrevocably undertakes, represents, warrants and agrees to and with the Company and the Receiving Agent, for themselves and as agent for MXC Capital, so as to bind such holder and their personal or legal representatives, heirs, successors and assigns to the following effect:

- 5.1 that the execution of the Tender Form shall constitute an irrevocable offer to sell to the Company the total number of Ordinary Shares inserted at 2A, 2B or 2C or deemed to have been inserted in Box 2A of the Tender Form on and subject to the terms and conditions set out or referred to in this Circular and the Tender Form;
- 5.2 that such Qualifying Shareholder has full power and authority to tender, sell, assign or transfer the Ordinary Shares in respect of which such irrevocable offer is accepted (together with all rights attaching thereto) and, when the same are purchased by the Company, the Company will acquire such Ordinary Shares free and clear from all liens, charges, restrictions, claims, equitable interests and encumbrances and together with all rights attaching thereto and such representation and warranty will be true in all respects at the time the Company purchases such Ordinary Shares as if it had been entered into anew at such time and shall not be extinguished by such purchase;
- 5.3 that the execution of the Tender Form will, upon acceptance of such irrevocable offer, constitute the irrevocable appointment of any director of, or other person nominated by, the Company as such Qualifying Shareholder's attorney and agent ("attorney"), and an irrevocable instruction to the attorney, to complete and execute all or any contracts and/or other documents at the attorney's discretion in relation to the Ordinary Shares referred to in sub-paragraph 5.1 above for the purchase of such shares by the Company and to do all such other acts and things as may in the opinion of such attorney be necessary or expedient for the purpose of, or in connection with, the Tender Offer;
- 5.4 that such Qualifying Shareholder agrees to ratify and confirm each and every act or thing that may be done or effected such attorney and/or by the Company or any of its directors or any person nominated by the Company in the proper exercise of its or his or her powers and/or authorities hereunder;
- 5.5 that in respect of tendered Ordinary Shares held in certificated form, such Qualifying Shareholder will deliver to the Receiving Agent their share certificate(s) and/or other document(s) of title in respect of the Ordinary Shares referred to in sub-paragraph 5.1 above, or an indemnity acceptable to the Company in lieu thereof, or will procure the delivery of such documents to such person as soon as possible thereafter and, in any event, before the closing of the Tender Offer;
- 5.6 that the terms of this Part III shall be deemed to be incorporated in, and form part of, the Tender Form, which shall be read and construed accordingly;
- 5.7 that such Qualifying Shareholder shall do all such acts and things as shall be necessary or expedient and execute any additional documents deemed by the Company to be desirable to complete the purchase of the Ordinary Shares referred to in sub-paragraph 5.1 above and/or to perfect any of the authorities expressed to be given hereunder;
- 5.8 that the execution of a Tender Form constitutes, subject to the Tender Offer becoming unconditional, irrevocable authorisations and requests if the Ordinary Shares concerned are in certificated form to the Company to procure the dispatch by post of a cheque drawn in pounds sterling at a branch of a UK clearing bank for the cash consideration to which a tendering Qualifying Shareholder is entitled, at the risk of such Qualifying Shareholder, to the personal agent whose name and address outside any Prohibited Territory is set out in Box 4 of the Tender Form, or if no such name and address is set out in Box 4, to the first named holder at his registered address outside any Prohibited Territory; or
- 5.9 such Qualifying Shareholder, if an Overseas Shareholder, has fully observed any applicable legal requirements and that the invitation under the Tender Offer may be made to him under the laws of the relevant jurisdiction;

- 5.10 such Qualifying Shareholder has not received or sent copies or originals of this document, the Tender Form or any related documents in, into or from a Prohibited Jurisdiction and has not otherwise utilised in connection with the Tender Offer, directly or indirectly, the mails or any means or instrumentality (including, without limitation, facsimile transmission, telex and telephone) of interstate or foreign commerce, or of any facility of a national securities exchange, of any Prohibited Jurisdiction;
- 5.11 that the Tender Form has not been mailed or otherwise sent in, into or from any Prohibited Jurisdiction and such Qualifying Shareholder is accepting the Tender Offer from outside any Prohibited Jurisdiction;
- 5.12 the dispatch of a cheque to a Qualifying Shareholder as referred to in the section headed "Settlement" above, will discharge fully any obligation of the Company to pay such Shareholder the consideration to which he is entitled under the Tender Offer;
- 5.13 on execution, the Tender Form takes effect as a deed;
- 5.14 the execution of the Tender Form constitutes such Qualifying Shareholder's submission to the jurisdiction of the courts of England in relation to all matters arising out of or in connection with the Tender Offer or the Tender Form; and
- 5.15 if the appointment of attorney provision under sub-paragraph 5.3 above shall be unenforceable or invalid or shall not operate so as to afford any director or officer of the Company the benefit or authority expressed to be given therein, the Qualifying Shareholder shall with all practicable speed do all such acts and things and execute all such documents that may be required to enable the Company to secure the full benefits of sub-paragraph 5.3 above.

A reference in this paragraph to a holder of Ordinary Shares or a Qualifying Shareholder includes a reference to the person or persons executing the Tender Form and in the event of more than one person executing a Tender Form, the provisions of this paragraph will apply to them jointly and severally.

6. Electronic Tenders

Each Qualifying Shareholder by whom, or on whose behalf, an electronic tender is made irrevocably undertakes, represents, warrants and agrees to and with the Company and the Receiving Agent, for themselves and as agent for the Company, so as to bind such holder and their personal or legal representatives, heirs, successors and assigns to the following effect:

- 6.1 the input of the TTE Instruction shall constitute an irrevocable offer to sell to the Company such number of Ordinary Shares as are specified in the TTE Instruction or deemed to be tendered, in each case, on and subject to the terms and conditions set out or referred to in this document;
- 6.2 such Qualifying Shareholder has full power and authority to tender, sell, assign or transfer the Ordinary Shares in respect of which such irrevocable offer is accepted (together with all rights attaching thereto) and, when the same are purchased by the Company, the Company will acquire such Ordinary Shares free and clear from all liens, charges, restrictions, claims, equitable interests and encumbrances and together with all rights attaching thereto and such representation and warranty will be true in all respects at the time the Company purchases such Ordinary Shares as if it had been entered into anew at such time and shall not be extinguished by such purchase;
- 6.3 the input of the TTE Instruction will, subject to the Tender Offer becoming unconditional, constitute the irrevocable appointment of any director of, or other person nominated by, the Company, as such Qualifying Shareholder's attorney, and an irrevocable instruction to the attorney to complete and execute all or any contracts and/or any other documents or input any instructions into Euroclear at the attorney's discretion in relation to the Ordinary Shares referred to in sub-paragraph 6.1 above for the purchase of such shares by the Company and to deliver any documents or input any instructions into Euroclear relating to such Ordinary Shares, for registration within six months of the Tender Offer becoming unconditional and to do all such other acts and things as may in the opinion of such attorney be necessary or expedient for the purpose of, or in connection with, the Tender Offer;

- 6.4 such Qualifying Shareholder agrees to ratify and confirm each and every act or thing which may be done or effected by such attorney and/or by the Company or any of its directors or any person nominated by the Company in the proper exercise of its or his or her powers and/or authorities hereunder;
- 6.5 the input of a TTE Instruction will constitute agreement by such Qualifying Shareholder that any purchase from that Qualifying Shareholder of Ordinary Shares by the Company pursuant to the Tender Offer will be subject to the Rules of the London Stock Exchange;
- 6.6 such Qualifying Shareholder shall do all such acts and things as shall be necessary or expedient and execute any additional documents deemed by the Company to be desirable to complete the purchase of the Ordinary Shares referred to in sub-paragraph 6.1 above and/or to perfect any of the authorities expressed to be given hereunder;
- 6.7 such Qualifying Shareholder, if an Overseas Shareholder, has fully observed any applicable legal requirements and that the invitation under the Tender Offer may be made to him under the laws of the relevant jurisdiction;
- 6.8 such Qualifying Shareholder has not received or sent copies or originals of this document, the Tender Form or any related documents in, into or from any Prohibited Jurisdiction and has not otherwise utilised in connection with the Tender Offer, directly or indirectly, the mails or any means or instrumentality (including, without limitation, facsimile transmission, telex and telephone) of interstate or foreign commerce, or of any facility of a national securities exchange, of any Prohibited Jurisdiction at the time of the input of and settlement of the relevant TTE Instruction(s); that the TTE Instruction has not been sent from any Prohibited Jurisdiction, and such Qualifying Shareholder is accepting the Tender Offer from outside any Prohibited Jurisdiction;
- 6.9 the input of a CREST payment in favour of such Qualifying Shareholder's payment bank in accordance with the CREST payment arrangements as referred to in the section headed "Settlement" above will discharge fully any obligation of the Company to pay to such Shareholder the consideration to which he is entitled under the Tender Offer;
- 6.10 the input of the TTE Instruction constitutes such Qualifying Shareholder's submission to the jurisdiction of the courts of England in relation to all matters arising out of or in connection with the Tender Offer;
- 6.11 if, for any reason, any Ordinary Shares in respect of which a TTE Instruction has been made are, prior to 9 September 2016, converted into certificated form, the electronic tender in respect of such Ordinary Shares shall cease to be valid and the Qualifying Shareholder will need to comply with the procedures for tendering Ordinary Shares in certificated form as set out above in respect of the Ordinary Shares so converted, if he wishes to make a valid tender of such Ordinary Shares pursuant to the Tender Offer; and
- 6.12 if the appointment of attorney provision under sub-paragraph 6.3 above shall be unenforceable or invalid or shall not operate so as to afford any director or officer of the Company of the benefit or authority expressed to be given therein, the Qualifying Shareholder shall with all practicable speed do all such acts and things and execute all such documents that may be required to enable the Company to secure the full benefits of sub-paragraph 6.3 above.

7. Invalid tenders

- 7.1 The Company reserves the absolute right to inspect (either itself or through its agents) all Tender Forms and may consider void and reject any tender that does not in the sole judgment of the Company meet the requirements of the Tender Offer. Neither the Company, the Receiving Agent or any other person will be under any duty to give notification of any defects or irregularities in tenders or incur any liability for failure to give any such notification. The Company reserves the right, in its sole discretion, to treat as valid in whole or in part any Tender Form and/or TTE instruction that is not entirely in order or (where required) that is not accompanied by the relevant share certificate(s) and/or

other document(s) of title. In that event, however, the consideration under the Tender Offer will only be dispatched when the Tender Form is entirely in order, when the relevant TTE instruction has been settled or (as the case may be) the relevant share certificate(s) and/or other documents of title or indemnities satisfactory to the Company has/have been received.

- 7.2 All tenders received in respect of Ordinary Shares in issue at the Record Date held in certificated form must be made on a Tender Form delivered to the Receiving Agent so as to be received by 1.00 p.m. on 9 September 2016.
- 7.3 **A Tender Form which is received in respect of Ordinary Shares held in uncertificated form will not constitute a valid tender and will be disregarded.** Holders of Ordinary Shares in uncertificated form who wish to tender any such Ordinary Shares should note that a TTE Instruction submitted will only be a valid tender as at 9 September 2016, if it has settled on or before 1.00 p.m. on that date.

8. Closing Date and right to extend

The Tender Offer will close at 1.00 p.m. on 9 September 2016 (the “Closing Date”) and no tenders that are received after that time will be accepted unless the Company, in its sole and absolute discretion shall have extended the period during which the Tender Offer is open, in which event the term “Closing Date” shall mean the latest time and date at which the Tender Offer, as so extended the Company, shall close. The Company shall notify the Receiving Agent of any extension of the Closing Date by oral or written notice and shall notify holders of Ordinary Shares of such extension by public announcement no later than 8.00 a.m. on 9 September 2016.

9. Right to terminate or amend the Tender Offer

- 9.1 If at any time prior to 1.00 p.m. on 9 September 2016:
- 9.1.1 the Board in its absolute discretion concludes that the Tender Offer would no longer be in the best interests of the Company and/or Shareholders as a whole; or
- 9.1.2 there shall occur any change in the national or international, financial, economic, political or market conditions; or
- 9.1.3 there shall occur any change in the financial position or prospects and/or circumstances of the Company (including, without limitation, in relation to the distributable profits of the Company),

which, in respect of sub-paragraphs 9.1.2 and 9.1.3 above, in the opinion of the Company (acting in its absolute discretion), renders the Tender Offer temporarily or permanently impractical or inadvisable (taking into account the background to and reasons for the Tender Offer), the Company shall be entitled to determine that the Tender Offer is terminated and that no Ordinary Shares tendered under the Tender Offer shall be acquired. If any such determination is made, the Company shall, as soon as practicable thereafter, announce the same through a regulatory information service of the London Stock Exchange and notify Shareholders in writing.

10. Overseas Shareholders

- 10.1 The making of the Tender Offer in, or to certain persons who are citizens or nationals of, or resident in, jurisdictions outside the United Kingdom and Guernsey or custodians, nominees or trustees for persons who are citizens or nationals of, or residents in, jurisdictions outside the United Kingdom and Guernsey, may be affected or prohibited by the laws of the relevant overseas jurisdiction. Shareholders who are Overseas Shareholders should inform themselves about and observe any applicable legal requirements. It is the responsibility of any such Shareholder wishing to tender Ordinary Shares to satisfy himself as to the full observance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents that may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such jurisdiction. If you are in any doubt about your position, you should consult

your professional adviser in the relevant jurisdiction. Any such Shareholder will be responsible for payment of any such issue, transfer or other taxes or other requisite payments due by whomsoever payable and the Company and any person acting on either's behalf shall be entitled to be fully indemnified and held harmless by such Shareholder for any such issue, transfer or other taxes as such person may be required to pay. No steps have been taken to register or qualify the Tender Offer or authorise the extending of this Tender Offer or the distribution of the Circular or any accompanying personalised Tender Form and any related documents in any territory outside the United Kingdom and Guernsey.

- 10.2 In particular, the Tender Offer is not being made directly or indirectly in or into, or by use of the mails of, or by any means or instrumentality of interstate or foreign commerce of, or any facilities of a national securities exchange of any Prohibited Territory. This includes, but is not limited to, facsimile transmission, telex and telephone. Copies of this Circular, the Tender Form and any related documents are not being mailed or otherwise distributed or sent in or into any Prohibited Territory, including to Shareholders with registered addresses in these jurisdictions or to persons whom the Company knows to be trustees, nominees or custodians holding Ordinary Shares for such persons. Persons receiving such documents (including, without limitation trustees, nominees or custodians) must not distribute or send them in or into any Prohibited Territory or use such mails or any such means or instrumentality for any purpose directly or indirectly in connection with the Tender Offer, and so doing may invalidate any purported tender pursuant to the Tender Offer. Persons wishing to tender pursuant to the Tender Offer must not use such mails or any such means or instrumentality for any purpose directly or indirectly related to any tender pursuant to the Tender Offer. Envelopes containing Tender Form(s) should not be postmarked in any of the Prohibited Territories or otherwise dispatched from any of the Prohibited Territories, and all acceptors must provide addresses outside the Prohibited Territories for the remittance of cash, or for the return of Tender Form(s), share certificates and/or other document(s) of title.
- 10.3 The provisions of this paragraph 10 and/or any other terms of the Tender Offer relating to Overseas Shareholders may be waived, varied or modified as regards a specific Shareholder or on a general basis by the Company in its absolute discretion, but only if the Company is satisfied that such waiver, variation or modification will not constitute or give rise to breach of applicable securities or other laws. Subject to this, the provisions of this paragraph 10 supersede any terms of the Tender Offer inconsistent herewith. References in this paragraph 10 to a Shareholder shall include references to the persons executing a Tender Form and, in the event of more than one person executing a Tender Form, the provisions of this paragraph 10 shall apply to them jointly and severally.
- 10.4 A Shareholder will be deemed not to have offered Ordinary Shares pursuant to the Tender Offer if (i) such Shareholder is unable to make the representations and warranties set out in paragraphs 5 or 6 above (as appropriate); or (ii) such Shareholder completes a Tender Form with an address in any of the Prohibited Territories or has a registered address in any of the Prohibited Territories and in either case such Shareholder does not insert on a Tender Form the name and address of the person or agent outside of any of the Prohibited Territories to whom he wishes the consideration to which he is entitled under the Tender Offer to be sent, subject to the provisions of this paragraph and applicable law; or (iii) such Shareholder inserts on a Tender Form the name and address of the person or agent in any of the Prohibited Territories to whom he wishes the consideration to which such Shareholder is entitled under the Tender Offer to be sent; or (iv) the Tender Form received from him is in an envelope postmarked in, or which otherwise appears to the Company or its agents to have been sent from any of the Prohibited Territories. The Company reserves the right, in its absolute discretion, to investigate in relation to any acceptance, whether the representations and warranties set out in paragraphs 5 or 6 above (as appropriate) and given by any Shareholder are correct and, if such investigation is undertaken and as a result the Company determines (for any reason) that such representation and warranty is not correct, such acceptance shall not be valid.
- 10.5 If, in connection with making the Tender Offer, notwithstanding the restrictions described above, any person (including, without limitation, custodians, nominees and trustees), whether pursuant to a contractual or legal obligation or otherwise, forwards this Circular, any accompanying personalised

Tender Form or any related documents in, into or from any of the Prohibited Territories, such person should:

10.5.1 inform the recipient of such fact;

10.5.2 explain to the recipient that such action may invalidate any purported acceptance by the recipient; and

10.5.3 draw the attention of the recipient to this paragraph 10 headed “Overseas Shareholders”.

11. Taxation

The following information, which relates only to UK and Guernsey, is applicable to the Company and to persons who are resident in the UK or resident in Guernsey and who hold Ordinary Shares as investments. It is based on the law and practice currently in force in the UK and Guernsey.

The information is not exhaustive and is intended as a general guide only and does not constitute advice. If any Shareholder is in any doubt as to his taxation position, he should consult his professional adviser without delay. Shareholders should note that tax law and its interpretation can change and that, in particular, the levels and bases of, and reliefs from, taxation may change and such changes may alter the benefits of investment in the Company. These comments do not apply to certain classes of Shareholders, such as dealers in securities, insurance companies, collective investment schemes and Shareholders who have, or are deemed to have, acquired their shares by reason of, or in connection with, an office or employment.

Guernsey taxation

The Company

The Company is resident for tax purposes in Guernsey and is subject to the company standard rate of income tax in Guernsey, currently charged at the rate of 0 per cent.. The Company will be taxed at the company standard rate of income tax provided the income of the Company does not include income arising from:

- certain types of banking business;
- the provision of custody services when carried on by an institution or business that carries on certain types of banking business;
- trading activities regulated by the Office of the Director General of Utility Regulation;
- the ownership of land and buildings situate in Guernsey;
- the carrying on of regulated activities within the meaning of the Regulation of Fiduciaries, Administration Businesses and Company Directors, etc. (Bailiwick of Guernsey) Law, 2000 (the “Fiduciaries Law”) by a licensed fiduciary within the meaning of the Fiduciaries Law;
- the provision to an unconnected third party of any administrative, secretarial or clerical services in relation to a controlled investment (within the meaning of the Protection of Investors (Bailiwick of Guernsey) Law, 1987);
- the carrying on of insurance business which is domestic business within the meaning of the Insurance Business (Bailiwick of Guernsey) Law, 2002, as amended (the “Insurance Law”) by a licensed insurer within the meaning of the Insurance Law; or
- the carrying on of business as an insurance manager or as an insurance intermediary within the meaning of the Insurance Managers and Insurance Intermediaries (Bailiwick of Guernsey) Law, 2002, as amended (the “Insurance Managers and Intermediaries Law”), by a licensed insurance manager or intermediary within the meaning of the Insurance Managers and Intermediaries Law.

It is not intended that the income of the Company will be derived from any of the above sources.

Guernsey currently does not levy taxes upon capital, inheritances, capital gains, gifts, sales or turnover. No stamp duty is chargeable in Guernsey on the issue, transfer or redemption of shares in the Company.

Shareholders

Payments made by the Company pursuant to the Tender Offer will be treated as distributions.

A Shareholder who is resident in Guernsey (which includes Alderney and Herm) for Guernsey tax purposes, will incur Guernsey income tax at the applicable rate on distributions paid to that Guernsey resident shareholder by the Company. The Company is responsible for the deduction of tax from distributions and the accounting of that tax to the Director of Income Tax in Guernsey in respect of distributions paid by the Company to such Guernsey resident Shareholder.

The Company's distributions can be paid to a Shareholder who is not resident in Guernsey (which includes Alderney and Herm) for tax purposes without deduction of Guernsey income tax, provided such distributions by the Company are not to be taken into account in computing the profits of any permanent establishment in Guernsey through which such Shareholder carries on business in Guernsey.

As already referred to above, Guernsey currently does not levy taxes upon capital, inheritances, capital gains, gifts, sales or turnover, nor are there any estate duties (save for registration fees and *ad valorem* duty for a Guernsey Grant of Representation where the deceased dies leaving assets in Guernsey which require presentation of such a Grant).

No stamp duty is chargeable in Guernsey on the issue, transfer or redemption of shares in the Company.

Foreign Account Tax Compliance Act (“FATCA”)

The Company and/or interests in the Company could be subject to the application of FATCA. FATCA generally imposes a reporting regime and potentially a 30 per cent. withholding tax with respect to certain US source income (including dividends and interest) and, from 1 January 2019, gross proceeds from the sale or other disposal of property that can produce US source interest or dividends and (from the later of 1 January 2019 or the date of publication of certain final regulations) a portion of non-US source payments from certain non-US financial institutions to the extent attributable to US source payments if it does not comply with certain registration and due diligence obligations under FATCA (“**Withholdable Payments**”). As a general matter, the rules are designed to require US persons' direct and indirect ownership of non-US accounts and non-US entities to be reported to the US Internal Revenue Service (the “Service”). The 30 per cent. withholding tax regime applies if there is a failure to provide required information regarding US ownership.

Generally, the rules subject all Withholdable Payments received by the Company to 30 per cent withholding tax (including the share that is allocable to non-US persons) unless the Company complies with information reporting rules implemented pursuant to an intergovernmental agreement between Guernsey and the United States or the Company enters into an agreement (an “**FFI Agreement**”) with the Service to provide information, representations and waivers of non-US law as may be required to comply with the provisions of the rules, including, information regarding its direct and indirect US accountholders.

FATCA IS PARTICULARLY COMPLEX. EACH SHAREHOLDER SHOULD CONSULT ITS OWN TAX ADVISER TO OBTAIN A MORE DETAILED EXPLANATION OF FATCA AND THE OTHER SIMILAR LEGISLATION REFERRED TO BELOW AND HOW THIS LEGISLATION MIGHT AFFECT EACH SHAREHOLDER IN ITS PARTICULAR CIRCUMSTANCE.

United States-Guernsey Intergovernmental Agreement

On 13 December 2013 the Chief Minister of Guernsey signed an intergovernmental agreement with the US (“**US-Guernsey IGA**”) regarding the implementation of FATCA, under which certain disclosure requirements may be imposed in respect of certain Shareholders who are, or are entities that are controlled by one or more natural persons who are, residents or citizens of the US, subject to any applicable exemption. Where applicable, information that will need to be disclosed will include certain information about Shareholders, their ultimate beneficial owners and/or controllers, and their investment in and returns from

the Ordinary Shares. The US-Guernsey IGA is implemented through Guernsey's domestic legislation, in accordance with guidance which is currently published in draft form.

Under the terms of the US-Guernsey IGA, Guernsey resident financial institutions that comply with the requirements of Guernsey's domestic legislation to report certain information to the Guernsey tax authorities will be treated as compliant with FATCA and, as a result, should not be subject to FATCA withholding on payments they receive and should not be required to withhold under FATCA on payments they make. The US-Guernsey IGA is implemented through Guernsey's domestic legislation in accordance with guidance that is published in draft form.

Under the US-Guernsey IGA, securities that are "regularly traded" on an established securities market, such as the main market of the London Stock Exchange, are not considered financial accounts and are not subject to reporting. For these purposes, the Ordinary Shares will be considered "regularly traded" if there is a meaningful volume of trading with respect to the Ordinary Shares on an ongoing basis. Notwithstanding the foregoing, since 1 January 2016, an Ordinary Share will not be considered "regularly traded" and will be considered a financial account if the holder of the Ordinary Shares is not a financial institution acting as an intermediary. Such holders will be required to provide information to the Company to allow the Company to satisfy its obligations under FATCA, although it is expected that whilst the Ordinary Shares are in held within CREST, the holder of the Ordinary Shares will be a financial institution acting as an intermediary.

United Kingdom-Guernsey Intergovernmental Agreement

On 22 October 2013 the Chief Minister of Guernsey signed an intergovernmental agreement with the UK ("**UK-Guernsey IGA**") under which certain disclosure requirements may be imposed in respect of certain Shareholders who are, or are entities that are controlled by one or more natural persons who are, residents in the UK, subject to any applicable exemption. Where applicable, information that will need to be disclosed will include certain information about Shareholders, their ultimate beneficial owners and/or controllers, and their investment in and returns from the Ordinary Shares. The UK-Guernsey IGA is implemented through Guernsey's domestic legislation, in accordance with guidance which is currently published in draft form.

Under the UK-Guernsey IGA, securities that are "regularly traded" on an established securities market, such as the main market of the London Stock Exchange, are not considered financial accounts and are not subject to reporting. For these purposes, the Ordinary Shares will be considered "regularly traded" if they are listed or quoted and/or available for trading on an established securities market.

Both Guernsey and the UK have adopted the "Common Reporting Standard" (see below). Accordingly, following a transitional period, reporting under the UK-Guernsey IGA (as implemented in Guernsey) in respect of periods commencing on or after 1 January 2016 will be replaced by reporting under the Common Reporting Standard (as implemented in Guernsey), and the UK-Guernsey IGA and relevant implementing legislation will likely be repealed.

Common Reporting Standard

On 13 February 2014, the Organization for Economic Co-operation and Development released a "Common Reporting Standard" ("**CRS**") designed to create a global standard for the automatic exchange of financial account information, similar to the information to be reported under FATCA. On 29 October 2014, fifty-one jurisdictions signed a multilateral competent authority agreement ("**Multilateral Agreement**") that activates this automatic exchange of FATCA-like information in line with the CRS. Since then, further jurisdictions have also signed the Multilateral Agreement and in total over 90 jurisdictions have committed to adopting the CRS.

Early adopters who signed the Multilateral Agreement (including Guernsey and the UK) have pledged to work towards the first information exchanges taking place by September 2017. Others are expected to follow with information exchange starting in 2018.

Under the CRS and legislation enacted in Guernsey to implement the CRS with effect from 1 January 2016, certain disclosure requirements will be imposed in respect of certain investors in the Company who are, or are entities that are controlled by one or more natural persons who are, residents of any of the jurisdictions

that have also implemented the CRS, unless a relevant exemption applies. Where applicable, information that would need to be disclosed will include certain information about Shareholders, their ultimate beneficial owners and/or controllers, and their investment in and returns from the Ordinary Shares. The CRS is implemented through Guernsey's domestic legislation in accordance with guidance that is published in draft form that is supplemented by guidance issued by the Organization for Economic Co-operation and Development.

Under the CRS, there is no reporting exemption for securities that are "regularly traded" on an established securities market.

All Shareholders should consult with their own tax advisers regarding the possible implications of FATCA, the CRS and any other similar legislation and/or regulations on their investment in the Company.

If the Company fails to comply with any due diligence and/or reporting requirements under Guernsey legislation implementing the US-Guernsey IGA, the UK-Guernsey IGA and/or the CRS then the Company could be subject to (in the case of the US-Guernsey IGA) US withholding tax on certain US source payments, and (in all cases) the imposition of financial penalties introduced pursuant to the relevant implementing regulations in Guernsey. Whilst the Company will seek to satisfy its obligations under the US-Guernsey IGA, the UK-Guernsey IGA and the CRS and associated implementing legislation in Guernsey to avoid the imposition of any financial penalties under Guernsey law, the ability of the Company to satisfy such obligations will depend on receiving relevant information and/or documentation about each Shareholder and the direct and indirect beneficial owners of the Shareholders (if any). There can be no assurance that the Company will be able to satisfy such obligations.

Request for Information

The Company reserves the right to request from any investor or potential investor such information as the Company deems necessary to comply with the CRS, FATCA, any FFI Agreement from time to time in force, or any obligation arising under the implementation of any applicable intergovernmental agreement, including the Multilateral Agreement, the US-Guernsey IGA and the UK-Guernsey IGA.

UK taxation

The Company

It is the intention of the Directors to continue to conduct the affairs of the Company so that the central management and control of the Company is not exercised in the United Kingdom and so that the Company does not carry out any trade in the United Kingdom (whether or not through a permanent establishment situated there). On this basis, the Company should not be liable for United Kingdom corporation or income taxes on its profits and gains other than certain profits or gains deriving from a United Kingdom source.

UK Shareholders

Sale of Ordinary Shares Pursuant to the Tender Offer

Individual Shareholders – taxation of income

The Company has received advice that for the purpose of Guernsey law, the sale of ordinary Shares pursuant to the Tender Offer is of a capital nature. Accordingly, the sale of Ordinary Shares pursuant to the Tender Offer will not be taxed as a distribution provided that the Company is, as intended, not UK tax resident.

Individual Shareholders – taxation of chargeable gains

Subject to the comments below in respect of section 684 Income Tax Act 2007, a Shareholder who sells Ordinary Shares pursuant to the Tender Offer should be treated as making a disposal of such Ordinary Shares. Accordingly, a Shareholder may, depending on that person's circumstances, be subject to tax on chargeable gains in respect of any gain arising on such sale.

In the case of those Shareholders who are individuals or otherwise not within the charge to corporation tax, capital gains tax may be payable on any chargeable gain arising upon a disposal of Ordinary Shares. Any such gain may be subject to tax at a rate of 20 per cent for individuals (i) with income in excess of £43,000 or (ii) whose taxable income, together with the amount of gain that is chargeable, exceeds £43,000 (and, therefore, liable to income tax at the higher or additional rate), subject in each case to the availability of relevant reliefs and exemptions. Other Shareholders will be liable on any chargeable gain at 10 per cent, subject again to the availability of relevant reliefs and exemptions. Individual Shareholders are not subject to tax on chargeable gains up to the annual exempt amounts – for the 2016/2017 tax year this is £11,100. These figures assume that the Finance Bill 2016 is passed in its present form.

Corporate Shareholders – taxation of income

The Company has been advised that payments to Shareholders (to the extent that the payments represent repayment of capital and any premium payable on issue of the Ordinary Shares constituting new consideration) in respect of the Tender Offer should not constitute income distributions for UK tax purposes.

To the extent that the amount received pursuant to the Tender Offer exceeds the original subscription capital provided for the Ordinary Shares, such amount may be treated as an income distribution (and excluded from the chargeable gains computation). However, generally any such distributions should be exempt from a charge to tax and the tax treatment of this distribution will be as set out below. The tax treatment of the distribution element paid by the Company in respect of the Ordinary Shares will depend upon the size of the recipient company. Any corporate Shareholder which is not small will generally be exempt from corporation tax on the distribution element. Certain small companies will be taxed at their marginal rate of corporation tax on all dividends and distributions received from the Company. In appropriate circumstances, a tax credit should also be given for any underlying tax that is paid on the profits out of which the dividend was paid, provided certain detailed conditions are satisfied. Corporate Shareholders should seek their own separate advice as to whether they are a small company for these purposes.

Corporate Shareholders – taxation of chargeable gains

Shareholders within the charge to UK corporation tax may be subject to corporation tax on chargeable gains in respect of any gain arising on a disposal of Ordinary Shares. Indexation allowance may apply to reduce any chargeable gain arising on a disposal of the Ordinary Shares but will not create or increase an allowable loss.

Corporate Shareholders should take their own advice regarding the chargeable gains implications of the sale of Ordinary Shares to the Company but, broadly, (a) where an amount treated as a distribution is taxable, this amount should be excluded from the computation of the chargeable gain and (b) where it is exempt, the distribution should be included in the disposal proceeds for the purposes of the computation of the chargeable gain.

Offshore funds

The Company believe that the shareholders in the Company (as shareholders) do not have day-to-day control of the management of the Company's assets and therefore the Company should not be regarded as a mutual fund for the purposes of section 356 Taxation (International and other provisions) Act 2010. On this basis a shareholding in the Company should not be regarded as a relevant interest in an offshore fund for tax purposes.

Transactions in securities

The attention of investors is drawn to section 684 of the Income Tax Act 2007 (for individuals) and section 731 of the Corporation Taxes Act 2010 (for companies) under which HM Revenue & Customs may seek to cancel tax advantages from certain transactions in securities. No application for clearance under section 701 of the Income Tax Act 2007 or section 748 of the Corporation Tax Act 2010 has been made.

In the event that HM Revenue & Customs did successfully apply section 684 of the Income Tax Act 2007 (and associated provisions) or section 731 of the Corporation Tax Act 2010 (and associated provisions) to

payments in respect of the Tender Offer, HM Revenue & Customs might make such tax assessment on any of the Shareholders as they consider necessary in the circumstances, including the Shareholders as having received any payment as an income receipt.

Non-UK Shareholders

Shareholders who are not resident (or temporarily non-resident) in the United Kingdom and do not carry on a trade, profession or vocation through a branch, agency or other form of permanent establishment in the United Kingdom with which Ordinary Shares are connected will not normally be liable to United Kingdom taxation on capital gains arising on the sale or other disposal of Ordinary Shares. However, non-UK Shareholders will need to take specific professional advice about their individual tax position.
